SOFTWARE DEVELOPER

NICOLÁS POSA
PROFESSIONAL OBJECTIVE

As a seasoned software developer, my expertise is rooted in a robust two-year background as a React Native developer. I specialize in the meticulous creation of visually captivating and user-intuitive mobile applications, adept at catering to both Android and iOS platforms. Beyond my strong technical foundation, my professional drive is fueled by a fervent commitment to ongoing learning and a perpetual pursuit of innovation.

EXPERIENCE

Mobile developer at InnovaSoft - React Native
February 2023 -Now

- Developed and maintained cutting-edge mobile applications for both Android and iOS platforms, ensuring high-quality standards throughout the development process.
- Created innovative components and features for the mobile applications, enhancing their functionality and user experience.

Mobile developer at Vippinn - React Native
Agust 2022 - Frabruary 2023

- Built and maintained high-quality mobile applications for Android and iOS
- Created new components and features for the app
- Optimized existing functionality to improve user experience
- Worked closely with the development team to troubleshoot and resolve issues

App development course tutor at CoderHouse
June 2021 -January 203

- Provided support and guidance to students enrolled in the Mobile Development course
- Answered students' questions and helped troubleshoot issues
- Corrected challenges and assignments, providing feedback to help students improve

Mobile Developer at WeHaus
August-October 2021

- Implemented a Bluetooth feature for the app, including design, development, and testing
- Contributed to the continuous improvement of the app, including the optimization of existing functionality and the implementation of new features
